## Redi-Rock's Retaining Wall Construction Details for Designers – The Ultimate Solution to all Your Retaining Wall Needs

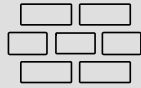

At Mid-Hudson Concrete Products, we are proud to offer Redi-Rock as one of our premier products. Our team of experts can work with you to design and build the perfect retaining wall for your needs, using Redi-Rock's innovative and durable systems.

### How Mid Hudson Concrete can use Redi-Rock to build you a retaining wall that will stand the test of time:

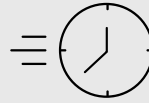

#### High-Quality Materials

Redi-Rock retaining wall systems are made with high-quality precast concrete that is designed to withstand the elements and stand up to years of wear and tear.

#### Flexibility

Redi-Rock offers a wide range of retaining wall solutions that can be tailored to your specific needs. Whether you need a gravity wall or a reinforced wall, we can work with you to design and build the perfect solution.

#### Quick Installation

Redi-Rock retaining wall systems are designed to be installed quickly and efficiently, minimizing disruption to your property and allowing you to enjoy your new retaining wall as soon as possible.

#### Cost-Effective

Redi-Rock retaining wall systems are an affordable solution that can be customized to fit your budget. With a wide range of options to choose from, you can find a solution that meets your needs without breaking the bank.

Redi-Rock is a leading manufacturer of precast concrete retaining wall systems that are specifically designed to meet the needs of architects, engineers, and contractors. [The Retaining Wall Construction Details for Designers](#) is a comprehensive guide that provides all the information you need to ensure your retaining wall project is a success.

MHCP has partnered with Redi-Rock to ensure quality material, incredible installation, and unparalleled reliability for all of your retaining wall needs.

## Why MHCP?

Mid-Hudson Concrete Products is the premier precast concrete manufacturer of the Hudson Valley and the region's exclusive manufacturer of the Redi-Rock retaining wall system. We provide the highest quality sanitary, drainage, utility, municipal, and customized concrete products to guarantee reliable, long-lasting constructions.

Family-owned and operated since 1980, our customer service is second to none. We believe in providing accessible, transparent service to every one of our clients. Mid-Hudson Concrete Products operates on a 6-day delivery schedule and even on the off-hours, a customer service representative is only a phone call away.

### TESTIMONIALS

"Quality of product, quality of service. It makes it a simple decision. There is no other decision to make. It's MHCP, every time."

Scott W.
